

CROW PASS CROSSING

SPONSORSHIP OPPORTUNITIES

The CROW PASS CROSSING is a 22.5-mile backcountry footrace featuring spectacular and challenging terrain from near Girdwood to the Eagle River Nature Center. It began in 1984 and has long been an iconic event on the Alaskan running calendar. Healthy Futures began directing the event in 2018.

HEALTHY FUTURES is the signature program of the Alaska Sports Hall of Fame. Its mission is to "Empower Alaska's youth to build the habit of daily physical activity." By sponsoring the Crow Pass Crossing, your contribution can be used for a specific race expense or to help fund Healthy Futures programs such as the Elementary Schools Challenge or youth event support.
